**New identity for Ulster Hockey**

Hockey in Ulster is to take on a new identity following the amalgamation of the Ulster Women's Hockey Union and the Ulster Branch Irish Hockey Association to form the Ulster Hockey Union.

At its inaugural General Meeting earlier today, the Ulster Hockey Union (to be known as Ulster Hockey) was pleased to announce ONE1918 as its major sponsor and elected Kenny Lee as its President, Jennifer Patterson as Vice-President and Michael Graham as Chairman of the Management Board.

Speaking after the meeting, Ulster Hockey President Kenny Lee said that he was honoured to be elected the first President of the Ulster Hockey Union and he thought that the amalgamation heralded a bright and exciting time for hockey in the Province.
